## PREFACE TO 1910-11 EDITION.

**W**E have again diligently and carefully collected and arranged useful information regarding Buteshire as it is to-day—with its officials, householders, and business people—and once more have pleasure in giving the compilation the honours of the Press.

The previous four sections of the Directory are continued, and to facilitate the search for information the different portions are again printed on distinctively coloured papers—a feature of acknowledged benefit for expeditious reference.

As our Advertising friends appreciate the distribution of their announcements facing the text of the book, we hope, with continued prompt receipt of orders, to be enabled to make permanent this decided benefit.

Our desire is to overlook no interest, and therefore, we respectfully solicit notices of alterations or additions as early as possible, so that these may be given effect to.

This Directory is a much more important publication than many imagine. It is not only at hand for reference at all times throughout the county, but it is also ready for reference in the libraries of Glasgow, Edinburgh, London, Dublin, Cambridge, Oxford, &c., and in numerous business houses and agencies in busy centres throughout the kingdom, so we are particularly anxious that nothing of benefit to Buteshire be omitted, but that all interests have a good show, and everything be brought thoroughly up to date.

Our best thanks are again accorded to those who have in any way helped us in this compilation. It takes long and careful vigilance to ascertain and give effect to the continual changes, and prompt information and orders are, consequently, particularly acceptable and valuable.

# PART II.

# OFFICIALS.

## COUNTY OF BUTE.

**T**HE COUNTY OF BUTE comprises the seven islands in the Firth of Clyde, viz.: —BUTE, the most populous; ARRAN, the largest; the GREAT and LITTLE CUMBRAES, off the Ayrshire Coast; HOLY ISLE and PLADDA, off Arran; and INCH-MARNOCK, off Bute.

The total AREA OF THE COUNTY (land and water, exclusive of tidal water) is 139,658 acres, of which 53,510 are mountain and heath lands used for grazing. 3,806 acres are under plantations, and 794 are covered with water. There are 25,981 acres under all kinds of crops, bare fallow and grass, which is a gradual inroad on the mountain heath and hitherto uncultivated land.

The principal INDUSTRIES are agriculture, horticulture, and fishing. The islands possess great and varied natural attractions, and are in the forefront as holiday resorts.

The **Population** of the COUNTY (including its Burghs of ROTHESAY and MILLPORT) in 1801 was 11,791; 1831, 14,151; 1861, 16,331; 1881, 17,657. In 1891 it was 18,248 (8,057 males and 10,197 females); and in 1901, 18,786 (8,412 males and 10,374 females)—being an increase of 255 in the ten years—2·1 per cent. There were 4,270 inhabited houses in the islands.

The 1901 Census showed that in Buteshire there were 86 persons to the square mile, 7·4 acres to each person, and 204 yards approximate or distance in linear yards between person and person. The proportion of females to every 100 males is 123·32; the number of families is 4·422; inhabited houses, 4,263; rooms, 19,433; 4·25 persons to each family; 1·04 families to each house; 4·41 persons to each house; 4·56 rooms to each house; 4·40 rooms to each family; 1·97 persons to each room, and 2 persons speak Gaelic only.

In 1909 there were 315 births, 74 marriages, and 279 deaths, compared with

# International Publications.

## IS ESPERANTO WORTH LEARNING? .

A clever booklet by Bernard Long, B.A., Camb. Marvellous value. It shows the utility simplicity, and steady progress of this one, united universal auxiliary language throughout the world, where all people that on earth do dwell may (and many actually now do) intelligently speak and write to each other, though not knowing a word of each other's language. Printed in English, price 1d, 2d, and 5 cents; postage.  $\frac{1}{2}$ d. A reduction for quantities.

## KONDUKANTO AL BELEGA SKOTLANDO.

### (Introduction to Bonnie, Bonnie Scotland).

This booklet has the honour of being the first guide-book printed in Esperanto, and is a translation of the introductory pages to "Bonnie Scotland's Resorts." Published at 1d, it has a wide circulation, and is cordially welcomed by Esperantists everywhere. Postage,  $\frac{1}{2}$ d.

## SCOTTISH SCENERY — SKOTLANDA PEJZAĜO.

A handsomely-printed booklet of over 34 pages of photographs of views representative of Scottish scenery, with the descriptive letterpress printed in Esperanto as well as in English. This publication is much admired, and the dual language descriptive of places has since been adopted in this and other lands. Price, 6d; postage,  $\frac{1}{2}$ d.

## BEAUTIFUL SCENERY OF THE BRITISH ISLES.

### (Bela Pejzaĝo de la Brita Insularo.)

There are now over 100 regular propaganda periodicals printed in Esperanto throughout the world, besides a very much larger number of volumes of translations of national productions, all for the delectation of the cosmopolitan family of appreciative Esperantists. We hope soon to launch this other venture. Price 1s; postage 2d.

## BONNIE SCOTLAND'S RESORTS.

A "winsome little volume" of 150 pages of concisely-printed, succinct and interesting descriptions (in English), of between 400 and 500 Health, Profit and Pleasure Resorts, besides attractive introductory and appended pages. The idea of publishing this book was conceived while travelling abroad, and it has become the parent of the above-named International editions. Appreciated wherever seen. Prices, 2d, 6d, and 1s, according to binding. Postage,  $\frac{1}{2}$ d and 1d.

## LA ENAMIĜO DE LA NACIOJ.

### (The Courtship of the Nations.)

International Publication *par excellence*. The articles are being written (in the neutral international language, Esperanto), by persons representing the different countries throughout the world. Each article will be characteristic of the land in which it is written, and as each place can be written about from several points of vantage, there is a likelihood of this publication appearing periodically with fresh articles—all tending to show that, notwithstanding diverse circumstances even in individual states, all are members of one great family, and there is genuine pleasure in better acquaintance.

## LA SKOTO ALILANDE.

### (The Scot Abroad.)

It is said that "a Scot is never at Home until he is Abroad," and this *brochure* (in the International Language), gives glimpses of the North Briton's perigrinations all over the world, and fraternizations with the inhabitants of other lands at their homes. This booklet, though written before the foregoing, is to succeed it (at least the first edition) in receiving the honours of the Press. 1d.

## Parish of North Bute.

THIS is the northern portion of the island of Bute. Port-Bannatyne, its principal village, is two and a-half miles from Rothesay, with which it is connected by tramway. Kames Castle, in the vicinity, is said to be the oldest inhabited castle in the country, and was the ancient seat of the Bannatynes. The village was named after that family—two brothers of whom (John and Gilbert)—received a charter from King Robert the Bruce, for services rendered at Bannockburn. At the last census, there were 367 inhabited houses (1627 windowed rooms) and 192 uninhabited in the parish, and 373 separate families—793 males and 940 females—giving a total of 1733. The Port-Bannatyne ward (from Pointhouse to the other end of the village and back to Gortans and Bannatyne Mains) contained 473 males and 627 females—1100 in all; the North Bute ward, 125 males and 140 females; and the Cummernench ward, 195 males and 173 females. The total ten years ago was 1583, which shows an increase of 150 on the decimal period.

**An Unusual Use for  
a Directory.**

A GENTLEMAN entered a much-advertised West-End Emporium the other day to look for an address in the Directory.

He found a lady studying the book very intently. He waited as patiently as he could for a time, but the lady still searched, and as his time was limited, he ventured to remark:—

“If you are not in a great hurry, madam, would you be so good as to let me glance into that book for a moment.”

“Certainly,” she replied. “I was just looking it over to find a nice name for baby.”

## The Bute County Directory

is the only Publication of the kind printed and published in Buteshire. Its data is carefully compiled, and much time and attention is devoted each year to the careful investigation and noting the necessary alterations in the personnel of the occupants of public offices, the correct addresses of the general inhabitants, and the latest changes amongst those engaged in trade.

The earliest publications connected with Rothesay were Directories, and they are interesting reading even at this time of day.

Our publication not only includes Rothesay, but embraces the whole County of Bute, and though it has increased in usefulness and circulation, its price and advertisement tariff have remained the same.

## The Isle of Arran.

**T**HIS island, the largest in the group, is famous for the grandeur of its scenery and the variety of its geological deposits. The island is twenty miles in length, twelve in breadth, and is divided into two parishes--Kilbride on the east, and Kilmory on the west. King Edward and Queen Alexandra spent a very pleasant holiday in the island after their Coronation in August, 1902, and witnessed interesting sheep dog trials

In Part III of our Directory, we do not aim at printing such *complete* lists of Householders as will be found in the official Voters' Roll, published two or three months hence. While, however, we miss several names of the hundreds of persons whose houses are closed during the Winter months, we print those new ones which will not appear in the Voters' Roll until they have tenanted their houses for more than a year.

# THE BUTE COUNTY DIRECTORY.

This DIRECTORY now-a-days contains the information distinctive of both the DIRECTORY and the ALMANAC of past years, and the date of its issue is gradually becoming midway between the original dates of issue of these two publications. We begin our researches early enough, but the airy Summer publications must hustle out while the sun shines. The DIRECTORY, although very useful to the fluctuating visiting population, is not necessarily a fine-weather publication, but a hardy permanent resident.

Our aim, in this publication, is not to record the passing names and achievements of visitors and those who come to cater for them, but something of far greater importance—the registering of the names, standing, and businesses of the resident population—for the information of all having an interest in Buteshire, its burghs and rural districts.

The Directory is, of course, not only for the remaining portion of the year in which it is issued, but continues the only printed reference book for the county of Bute until its successor appears.

One edition of the Directory is no sooner off than we begin to note alterations (and prepare for probable additions) for the next—so that it may be thoroughly be up to date. These alterations and probable additions lie at our office, and are at the service of our customers

Will Secretaries of societies, etc., connected with Buteshire, who do not already do so, please remember to forward to us particulars of their institutions, annual reports, and lists of office-bearers, as information for the next issue of the Directory?

We are not yet enabled to publish all the information that we desire, but that does not prevent us compiling (in anticipation of greater reciprocity) more than we at present print

This Directory is not only found all over Buteshire, but in the libraries and other places of public resort in “the adjacent islands of Great Britain and Ireland.”
